

KOM Points Series

New for 2010!!!

This is a separate award to be given out at the awards banquet at the end of the year.

Here is how the scoring will work.

- Points are awarded only at designated KOM races. There are 10 total, (7 road races and 3 uphill ITT).

- Points will be given out to the first Three places.
 - 1st Place – 5pts.
 - 2nd Place – 3pts.
 - 3rd Place – 1pt.

- The KOM point will be clearly marked at each road race with Polka Dotted signage.

- Points will be awarded on every lap EXCEPT the start lap and the finish lap.

These are separate KOM points that do not go towards your individual points nor your team points. It is a new points category.
